

Workmanship & Materials Guarantee

Woody plant materials, meaning trees and shrubs planted at the job site are guaranteed for the full value of the purchase price for a period of six months from the purchase date. We guarantee replacement as long as plant material under the guarantee period is properly watered and cared for. Physical destruction and/or Acts of God are not covered under this guarantee. We guarantee only one replacement per plant and reserve the right to use alternate plants as replacements, should the original plant no longer be available. If extraordinary conditions arise which could not have been anticipated during the original planting, such as drainage, excavation, tree removal, etc., a charge will be made for additional labor and materials to correct the extraordinary conditions, only after consultation with the client. Guarantee is void should the client not pay according to the terms of the contract agreement. All claims should be made in writing as soon as discovered and within the guarantee period.

Vines, annuals (Geranium, Petunias, etc.), perennials (Lantana, Verbena, Liriope, Rosemary, Ice Plant, etc.), ground covers, plants in pots or containers are not guaranteed.

Sodded lawns, seeded lawns, Beach grass and Love grass are not guaranteed. The success of any lawn depends mostly on maintenance after installation. We guarantee to use only the best sod and grass seed available.

All landscape construction materials will be specified in the contract agreement. All work is to be completed in a workmanlike manner according to standard practices. Any alteration to contract specifications or extra costs will be executed only upon written change orders and will become an extra charge added to the contract. Our workers are fully covered by Worker's Compensation Insurance.

Acceptance of all orders is contingent on the above terms and conditions and no other guarantee, expressed or implied, may be assumed.

We look forward to installing your landscape and advising you on how to make it a thriving source of enjoyment for you, your family, and friends.
